"The greatness of a community is most accurately measured by the compassionate actions of its members." Coretta Scott King

Welcome to our Woodlands HOA Summer Newsletter!

The next townhall meeting is coming up soon! Mark your calendars for Thursday, June 15th, 7pm. Our meetings will continue on Zoom, as the previous board did during Covid. It is safe and allows board members and homeowners to have a better chance for attending and viewing digital documents. Please take the townhall survey by Jun 7th, so we will have enough time to distribute the results to homeowners before the townhall meeting. To take the survey on your phone or computer, please go to: <https://forms.gle/62311o25W88NAVQYA>

Homeowners planting native plant species at the volunteer day!

Homeowners at The Woodlands entrance sign on the day of the 2023 Spring community Volunteer Day!

Spring Community Volunteer Event: Over 20 homeowners showed up in May for our event! Together we were able to get a lot done around the neighborhood. This included removing invasive species, planting native plant species, putting out two new picnic tables and benches in the common areas, restoring the common area hammock area, restoring dog stations, and cleaning up the neighborhood. Thank you to everyone who volunteered, from those who did winter plantings in milk jugs, all the way through the big volunteer day! We have many homeowners who quietly help out in many different ways and we appreciate you. If there is a particular project you want to help with, please put in a homeowner request on our website to join a committee, ask to volunteer or just let us know what you would like to work on. We are coming together as a community in a positive way to show what good actions we can do together as a neighborhood. This time of collaborative work will also help us to secure grant funding, so every little bit helps!!!

Community Social:

The community social was a big hit this year. It happened right after the Spring Community Volunteer Day. With all that hard work together, the food never tasted so good!
